

ATOME

Atome is a homestay accommodation provider, allowing you to rent a room within a house or apartment in a Parisian home and stay with a French family. Living with a host family is the best option if you want to discover life in the French way.

It is a great way to experience cultural exchange and develop your language skills through daily immersion in a carefully selected family.

Depending on the criteria provided by the students, the homes of the hosting families are guaranteed to be no more than 30 minutes away from Schiller International University Campus via public transportation. If students reserve a hosting family 90 days before their arrival, they can benefit from 10% early bird discount. In addition, Atome is offering the housing insurance.

Standard conditions of stay for students:

- A private room equipped with at least one bed, a desk, a chair, a lamp and a storage unit,
- Breakfast is provided each morning (bread, butter, hot drink, jam, fruit),
- Access to the Wi-Fi,
- Access to the kitchen,
- Laundry once per week,
- Sheets and towels are provided,
- Each hosting family member must have their own room (the living room cannot be used as a bedroom),
- Each Schiller International University student in the family will have their own key to the apartment,
- The presence of another international student in the family home will need to be reported. Visit the following link to register:
